

# CHEF ARGENT

Private Label Information | *Our secret makes the sauce!*

## About Us

Since its inception in 1986, Chef Argent has been a leader in contract processing of salad dressings and bases, beverage concentrates, dips, and sauces worldwide.

Our company offers a "one stop shop" for product development, production and distribution of both retail and food service packs. We have over 300 formulas in our library, or we can manufacture your own recipe.

We offer a one-on-one customer service approach that will bring your product from start to finish.

## Create Your Product With Us

Our private label division will take your unique product from an idea to a reality. The following is an overview of this exciting process:

1. After contacting us, we will meet with you in person and discuss your recipe and vision for your product.
2. We will craft a prototype of your product appropriate for food production.
3. We will create a scheduled process with a process authority that will ensure an efficient and safe production run. Learn more about scheduled processes here: <http://bit.do/ffbUV>
4. Choose and order packaging. We have a multitude of packaging options available.
5. Design your label with our graphic designer.
6. Obtain your UPC code. We have codes available through Chef Argent.
7. We will schedule the production of your product at one of the facilities in our network. All production facilities are FDA-approved; HACCP, SQF, USDA, Kosher certified, and Halal facilities are available.
8. Pick up your product with a certificate of analysis from an independent lab. Chef Argent likes to assure the highest quality possible. Now it's time to present your product to the world!
